Subject: Route 9/Golden Harvest Area

Hello, I am writing to you because I would like a road study done on Route 9 in Valatie, around the Golden Harvest area. To me, and everyone I talk to, think that something needs to be done. Either a traffic signal or another round about because of the amount of accidents/fatalities in that area.

I have contacted the New York State Department of Transportation, Poughkeepsie Office, and they advised me to contact my town hall first. They advised that the Town Hall has to send them a Letter of Resolution in order for anything to be done. Citizens cannot request this and it has to be done by the Town Hall.

Thank you for your attention to this matter! Please keep me posted.

Sincerely,

Jessica Payne
